Pin the junk on the hunk

A twist on the classic game 'Pin the tale on the donkey!'

Use the 'Junk on the Hunk' poster from your Horny Hen box.

Pin the poster up on a wall so all your guests can feast their eyes on him.

Once you're ready to play the game pass around a few brightly coloured lipsticks and get the girls to apply lots of it. Blind fold them in turn and ask them to try and kiss the hunk on the lips and place the junk on his hunk..

Make sure they don't cheat and the blindfold is really tight; also don't be afraid to spin them around a few extra times.

You can also write the girls name next to the kiss to see who wins at the end.
